

**Kidwelly**  
Town Council

# Recycling Policy

## 1. Introduction

The Town Council provides refuse bins at a number of locations throughout Kidwelly and Mynyddygarreg, including its parks, playgrounds and cemetery. These facilities are designed for members of the public to dispose of their litter and dog fouling waste in a safe and convenient manner.

The Council will recycle its litter and reduce the impact of single-use plastic in Kidwelly and Mynyddygarreg.

## 2. Recycling Bins

Any new or replacement refuse bins sited in Kidwelly and Mynyddygarreg by Kidwelly Town Council must have provision for either mixed recycling such as paper, cardboard and plastic.

Where general waste only bins are currently in use, then the contents of these bins are filtered, and recyclable material removed, prior to content disposal.

## 3. Waste Disposal Contracts

Any new waste disposal contract entered into by Kidwelly Town Council must include provision for recycling.

## 4. Recycling promotion

Kidwelly Town Council will encourage residents to recycle their litter and discourage use of single-use plastics.
